Subject: Comments Regarding Florida Request to Assume 404 Program

Mr. Laycock:

Please find attached a letter providing comments on behalf of The Fertilizer Institute (TFI) in response to the U.S. Environmental Protection Agency's (EPA or agency) notice and request for comments concerning the state of Florida's request to assume the Clean Water Act section 404 program. 85 FR 57853 (Sept. 16, 2020).

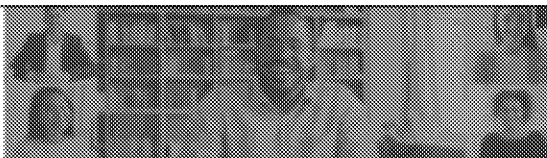

Thank you for considering our position supporting Florida's request to assume the permit program.

Regards, Ed Thomas
